

Halfmoon Body Art

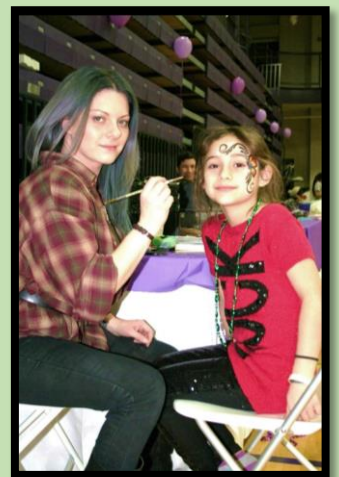

Face Painting * Henna * Airbrush

Face painting - it's not just for kids anymore!

Using hypoallergenic FDA-compliant high-quality makeup and skin-safe products, Halfmoon Body Art provides over 5 years of experience with face painting and other forms of temporary body art such as henna and airbrush designs. You can hire me with confidence to ensure your next event is a fun and memorable one.

- Available for events and private parties.
- Options include something for any age - from children to adults!
- Fair & Flexible Pricing.
